Location: KCUS (The big amphitheater), Bolnicka 25.

Zoom meeting capability: Virtual Meeting Link will be announced.

Symposium Chairs: Dr. Slavenka Straus & Dr. Adnan Begovic

Institutional Host: Clinical University Center Sarajevo (KCUS)

Scholarly Invitation: Principles of Modern Intensive Care Units

Invitation: "Principles of Modern Intensive Care Units" Symposium

The Clinical University Center Sarajevo (KCUS) invites you to an expert-led symposium organized as part of the BHAAAS Days in Sarajevo. This scholarly event brings together professionals to share clinical expertise and insights on the evolution of modern ICUs.

Key Focus Areas:

- **Knowledge Exchange:** Engage in plenary presentations and structured panel discussions.
- **Strategic Planning:** Evaluate methodologies for the organizational structure and clinical advancement of ICUs.
- **Global & Regional Alignment:** Bridge the gap between global best practices and regional healthcare capabilities.
