09:35 - 09:50	**Primary Intraosseous Spehnoorbital Meningiomas**	Kenan Arnautović (President electef of WFNS, USA)
09:50 - 10:05	**The hydrostatic features of CSF**	Miroslav Vukić (Croatia)
10:05 - 10:30	**Coffee break**	

Neuro Session II
Moderators: U. Türe, A. Džurlić, B. Splavski

10:30 - 10:45	**Neurosurgery Training and Education in Australia**	Asim Mujić (Australia)
10:45 - 11:00	**Contemporary concepts of moderate traumatic brain injury management**	Bruno Splavski, Boris Božić (Croatia)
11:00 - 11:15	**Manifestations of pilocytic astrocytoma / Is the tumor benign?**	Mirsad Hodžić (BiH)
11:15 - 11:30	**Middle Meningeal Artery Embolization for the Treatment of Chronic Subdural Hematoma: Results from a 300- Patient Single-Center Series**	Adisa Kršumović (Germany)
11:30 - 11:45	**MR-Venography-Based Anterior Interhemispheric Transcallosal -Transforaminal Approach to Colloid Cysts of the Third ventricle**	Uğur Türe (Honorary president of WFNS, Turkey)
11:45 - 12:00	**Tackling challenging skull base lesions- a single surgeon experience**	Mirza Moranjkić (BiH)
12:00 - 12:15	**The Dawn of Computational Neurosurgery: Artificial Intelligence Applications in Augmented Reality and Robotics**	Mirza Pojskić (Germany)
12:15 - 12:30	**Beyond the Electrode: Building Systems and Surgeons in Functional Neurosurgery**	Fadi Almahariq (Croatia)
12:30 - 13:30	**Lunch (24th UNUBiH Assembly annual meeting)**	

Ortho-Neuro Spine Session
Moderators: E. Karaiković, O. Yaman. M. Biščević

13:30 - 13:45	**Neurosurgery Training and Education in Australia**	Onur Yaman (Turkey)
13:45 - 13:55	**Spine tumor consensus**	Salman Sharif (WFNS training Centeters accreditation, Karachi, Pakistan)
13:55 - 14:05	**Interventional pain management with thermal denervation**	Munther Sabarini (Germany)
14:05 - 14:15	**Kyphoplasty in treatment of osteoporotic vertebral compression fractures**	Prashant Adhikari (Nepal)

14:15 - 14:25	**Complex spinal surgical procedures - technical notes and cases review**	Asim Mujić, Jens Peters Willke (Australia)
14:25 - 14:35	**Pediatric cervical spine trauma: A Rare Case of Multilevel Cervical Spine Fractures with a systematic literature review (ZOOM LECTURE)**	Mahir Jasarević, Asmir Hrustić, Eldin Karaiković, Elvir Atić (BiH)
14:35 - 14:45	**Infections of spine**	Zulejha Merhemić (BiH)
14:45 - 14:55	**Obesity as a Risk Factor for gonnarthrosis and Spinal Stenosis**	Mirza Biščević (BiH)
14:55 - 15:05	**Advantages of Mobile Robotic Navigation-Guided Transpedicular Screw Placement Compared to Conventional Fluoroscopic Techniques in Spinal Surgery**	Ilija Perutina, Goran Lakičević, Marko Bošnjak, Josip Paladino, Anel Livaja, Ivana Bulić, Stanko Zovko, Anja Rulj, Ivan Musa, Luka Bubalo (BiH)
15:05 - 15:15	**Biomaterials in spine surgery**	Tariq Sohail (Pakistan)
15:15 - 15:25	**Minimally invasive unilateral approach for spinal tumors**	Almir Džurlić, Bekir Rovčanin (BiH)
15:25 - 15:35	**The role of hybrid surgery in cervical spine**	Miroslav Vukić (Croatia)

Neuro III Session
Moderators: M. Vukić, B. Splavski, A. Mujić

15:35 - 15:45	**Surgical treatment of the cervical spine at the Vaso Ćuković Special Hospital in Risano**	Vlado Popović (Montenegro)
15:45 - 15:55	**Severe Suicidal Traumatic Brain Injury Caused by a Captive Bolt Gun: A Case Report with Prehospital and In-Hospital Management**	Huremović Mirza, Begagić Emir, Hakija Bečulić (BiH)
15:55 - 16:05	**Surgical aspects of vagus nerve stimulation in drug-resistant epilepsy: a case series and initial experience**	Salko Zahirović, Elma Suljagić-Ljubović, Emina Vukas, Admir Mehičević, Ibrahim Omerhodžić (BiH)
16:05 - 16:15	**Prognostic Relevance of Temporal Muscle Thickness in Intracranial Meningioma Surgery**	Tomislava Tretinjak, Dario Mužević, Irina Bagić, Nikolina Šilješ (Croatia)
16:15 - 16:25	**Unilateral decompression and lumbar instrumentation for selected degenerative pathologies**	Mirza Moranjkic; Adnan Čičkušić (BiH)

16:25 - 16:30	**Discussion**
16:30 - 18:00	**Spinal workshop for all participants**
18:00 - 18:10	**Closing remarks**

The Sixth International Ophthalmology Symposium Innovations in Ophthalmology – A New Era with Ophthalmic Radiology School

Symposium

Symposium chair(s) and Affiliations:

Nina Jovanović – Eye Institute Knezovic, Zagreb, Croatia
Melita Adilović-Čabrić – Eye Clinic Royal Ophthalmology Doboj, Polyclinic and Day hospital Doboj jug, BiH
Ernesta Potkonjak – Specialized Ophthalmological Practice Dr Ernesta, Banja Luka, BiH
Nisada Rehić-Skokić – Dr. Stroms&Partners Group Practice, Germany

Brief description, including intended audience:

The symposium topic is "Innovations in Ophthalmology – A New Era with Ophthalmic Radiology School". Theoretical blocks will feature international faculty presentations and two blocks will present submitted abstracts. The Symposium will bring together clinical multidisciplinary experts to share the latest knowledge and science in ophthalmology with a broad professional audience. The audience ranges from medical students, residents, and attendees to experienced ophthalmologists - experts in the field. This year oftalmologijabih collaborates with the Bosnisch-Herzegowinische Ärtegesellschaft in Deutschland (BHÄG). A section of the symposium, an ophthalmic radiology school with four renewed speakers will be organized, covering topics in teleradiology, AI, and pediatric challenging cases. Many invited lecturers from Europe, the region, and the US will deliver contemporary and hot topics in ophthalmology. A YO (young ophthalmologist) session will be held alongside the workshop on the practical use of IOL calculation and biometry on the state-of-the-art machines displayed in the room.

The Sixth International Ophthalmology Symposium Innovations in Ophthalmology – A New Era with Ophthalmic Radiology School

Symposium

Symposium chair(s) and Affiliations:

Nina Jovanović – Eye Institute Knezovic, Zagreb, Croatia
Melita Adilović-Čabrić – Eye Clinic Royal Ophthalmology Doboj, Polyclinic and Day hospital Doboj jug, BiH
Ernesta Potkonjak – Specialized Ophthalmological Practice Dr Ernesta, Banja Luka, BiH
Nisada Rehić-Skokić – Dr. Stroms&Partners Group Practice, Germany

Brief description, including intended audience:

The symposium topic is "Innovations in Ophthalmology – A New Era with Ophthalmic Radiology School". Theoretical blocks will feature international faculty presentations and two blocks will present submitted abstracts. The Symposium will bring together clinical multidisciplinary experts to share the latest knowledge and science in ophthalmology with a broad professional audience. The audience ranges from medical students, residents, and attendees to experienced ophthalmologists - experts in the field. This year oftalmologijabih collaborates with the Bosnisch-Herzegowinische Ärtegesellschaft in Deutschland (BHÄG). A section of the symposium, an ophthalmic radiology school with four renewed speakers will be organized, covering topics in teleradiology, AI, and pediatric challenging cases. Many invited lecturers from Europe, the region, and the US will deliver contemporary and hot topics in ophthalmology. A YO (young ophthalmologist) session will be held alongside the workshop on the practical use of IOL calculation and biometry on the state-of-the-art machines displayed in the room.
